

**BY USING THE SERVICE OF FAMILY CONNECT, AND/OR BY REGISTERING WITH US, YOU ACKNOWLEDGE THAT YOU AGREE TO THE TERMS OF USE AS MENTIONED HEREIN.**

**DISCLOSURE OF MEDICAL INFORMATION**

We ascertain that our Center takes seriously the privacy of your medical records and personal information. Accordingly, we have taken all reasonable restrictions necessary to protect your confidentiality.

By sharing your medical reports, you authorize our physicians and employees to access, review, research, analyze, discuss and copy your medical and personal information as deemed necessary to provide an opinion to your request.

The medical opinion service provided here will not have the benefit of such information that would be obtained by directly examining the patient and is not a substitute for a complete evaluation.

However, if we assume that the information provided to us is recent, complete, and correct, we can provide advice regarding medical care. We strongly recommend you to always consult with the concerned doctor in person to discuss the information provided through Family Connect prior to making any changes to your existing treatment plan.

**PATIENT CONSENT TO THE USE OF MEDICAL OPINION SERVICE UNDER FAMILY CONNECT**

I have read the disclaimer regarding the use of medical opinion service under Family Connect.

I understand the risks and benefits of such consultation and give my full consent for using this service.
